Bergen, Norway

KEY COMPETENCIES

Tech languages:

C#, GDScript
HTML, CSS, Javascript
Python

Languages:

Norwegian - Fluent
English - Fluent
Spanish - Very good

Tools:

Adobe package
Github Desktop
Blender

PROJECTS

Playlist Generator

2024 - Present

Solo Developer

- **API Integration:** Integrated the Spotify API to fetch and manipulate music data based on user choices
- **Web Development:** Developed a Django Application
- **Full-Stack Development:** Managed both the front-end and back-end development processes, ensuring seamless user experience and efficient data handling

A God's Draw

2022 - 2023

Team Lead

- **Project Management:** Created and managed weekly sprints to ensure timely progress and goal achievement
- **Leadership:** Held regular meetings with the team, individual team members and executives to align objectives, address concerns, and provide updates
- **Programming:** Developed and optimized various game systems including the map, save system, lighting, and reward system
- **Environmental Design:** Implemented 3D models, lighting and shaders to create immersive environments to enhance gameplay experience

Negative Effect

2021 - 2022

Lead Programmer

- **VR Development:** Led the programming of the main VR mechanics, ensuring intuitive and responsive user interactions
- **Prototyping:** Created prototypes to test and refine VR functionalities and game mechanics
- **User Interface:** Helped design and implement the wrist menu for in-game interactions, enhancing user accessibility and experience
- **Team Collaboration:** Assisted fellow programmers with technical challenges and ensured all team members had clear tasks and objectives to contribute effectively to the project

EDUCATION & CERTIFICATIONS

Bachelor in Games and Entertainment Technology Nord University 2020 - 2023

C#
Game Design
3D modeling and animation

CS50's Introduction to Programming with Python Harvard University - April 2024

EXTRACURRICULAR ACTIVITIES

Volunteer at Konsoll

Norway's largest game conference

Board Member of InDev

Student organization for Games and Entertainment Technology students
